AMENDMENT A

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed December 12, 2002, please amend the above-identified patent application as follows:

In the Specification:

Please replace the indicated paragraphs of the specification with the paragraphs set forth below. Attachment 1 indicates changes made to amended paragraphs, with additions underlined and deletions struck through.

Please amend the paragraph beginning on page 2, line 9 as follows:

a'
Prior attempts to provide a compact guitar for travel have taken several forms. Numerous short-necked and small-bodied guitars have been devised. One example of such an instrument is the "Backpacker" guitar manufactured by C. F. Martin and Co. of Nazareth, PA. However, these compromises are not acceptable to most players of conventional acoustic guitars. Such players generally prefer to perform and to practice with an instrument of substantially standard neck length
